HOW BOOKING WORKS

# THREE STEPS TO THE WATER

01 **Tell us the plan.** The date, the time, how many guests and the occasion.

02 **We match the yacht.** We confirm availability, the rate for your duration and exactly what is included, before you book.

03 **Step aboard.** The captain and crew run the yacht, so you simply enjoy the day.

GOOD TO KNOW

**Rates.** Smaller yachts are chartered by the hour, larger yachts by the day. Prices shown are from-prices and depend on the season and duration.

**Typically included.** Captain and crew, fuel within the agreed cruising area, and use of the yacht and its facilities.

**Arranged on request.** Catering, premium drinks and other special requests.

**Best season.** October to April is the most popular time to cruise in Dubai. Summer mornings and evenings are quieter.
